

REMARKS

Amendments have been made to the drawings to overcome the drawing objections. Amendments have been made to the specification for consistency with the drawing changes and to correct informalities that have been noticed at this time. Minor informalities in the claims that have been noticed at this time are also corrected by amendment. No new matter is introduced by any of these amendments.

All of the claim rejections are respectfully traversed, for the reasons given above. Examiner's reconsideration of, and allowance of, this application is respectfully requested.

Respectfully submitted,

Robert Lodenkamper
